Subject: Your 18 March Biosecurity (Human Biosecurity Emergency) (Human Coronavirus with Pandemic Potential) Declaration 2020

The Honourable David Hurley AC DSC, Governor-General of the Commonwealth of Australia

Governor General Hurley, your [18 March Biosecurity \(Human Biosecurity Emergency\) \(Human Coronavirus with Pandemic Potential\) Declaration 2020](#) 'EXPLICITLY' lawfully decrees three important factual conditions exist:

1. A Human Coronavirus with **Pandemic 'Potential'**
2. It is **fatal** in **some cases**
3. It is a **severe and immediate threat to human health on a nationally significant scale**

Such a declaration with highly subjective definitions such as with Pandemic 'Potential', fatal only in unspecified 'some cases' and 'severe and immediate threat' to human health on a nationally significant scale; hard, demonstrable evidence **MUST** be provided to demonstrate such destructive response measures are both lawful and warranted.

And given that your lawful decree acted upon the advice of the Federal Executive Council consisting of Ministers or Parliamentary Secretaries, the Chief Adviser being the Prime Minister; we as Australians require immediate, precise written information of the exact nature of this Executive Council advice you took; that conclusively demonstrates **these three factual conditions you cite, existed at any time or exist now.**

You personally, have no MEDICAL, EPIDEMIOLOGICAL QUALIFICATIONS, TRAINING, legitimacy or authority, in unilaterally declaring that these three factual conditions exist.

These critical MEDICAL, EPIDEMIOLOGICAL QUALIFICATIONS, TRAINING skills, experience and authorities are **SOLELY** the province of a duly appointed qualified Chief Medical Officer.

Therefore the advice you took from our Executive Council must have had substantial MEDICAL, EPIDEMIOLOGICAL, QUALIFICATIONS, TRAINING AND EVIDENCES provided to you, which conclusively and lawfully demonstrated to you; these three factual **Potential Pandemic, Fatal, Severe Threats to human health on a nationally significant scale,** conditions existed; at any time or exist now.

Due to your personal lack of authority to make such a declaration unilaterally without such compulsory substantive MEDICAL, EPIDEMIOLOGICAL, QUALIFICATIONS, TRAINING AND EVIDENCE; your declaration would be unlawful and invalid.

If such compulsory authoritative MEDICAL, EPIDEMIOLOGICAL, QUALIFICATIONS, TRAINING AND EVIDENCE was provided to you either by former Brendan Murphy Chief Medical Officer or Deputy Chief Medical Officer Professor Paul Kelly; we require from you; precise detail of such written material provided.

We note a non-defined a hearsay W.H.O. declaration that the disease was a pandemic, was made on 11 March 2020, which was not supported by ANY evidence whatsoever; other than its unsupported non-specific hearsay declaration, and we do not wish this W.H.O. immaterial conjecture to be provided.

The SOLE globally acknowledged fundamental criteria of ANY/ALL epidemiological-health catastrophic-risk existing, and/or indeed, a pandemic existing, must be provided ONLY by a Chief Health Officer and these are as follows:

'Hard-evidence' of Mass-scale existence of, or exponential growth of catastrophic-risk, and indeed, a pandemic in ALL categories of the following,

- 'Hard-evidence' of Mass-scale actual lethal pathogen existence, such as new/novel Ebola, Cholera, Bubonic Plague etc. OR lethal NEW/NOVEL (1.) Corona Virus
- 'Hard-evidence' of Mass-scale exponential growth of pathogens
- 'Hard-evidence' of Mass-scale exponential growth of contagion
- 'Hard-evidence' of Mass-scale exponential growth of virulence
- 'Hard-evidence' of Mass-scale exponential growth of infections
- 'Hard-evidence' of Mass-scale exponential growth of deaths
- 'Hard-evidence' of Mass-scale exponential decline in recoveries

This is true for ANY epidemiological-health risk and/or pandemic now, and particularly truer in January-March 2020, when this 'alleged' risk and pandemic was merely inferred, AND THEN AND NOW; THERE WAS/IS:

- no 'Hard-evidence' of Mass-scale actual lethal pathogen existence, such as new/novel Ebola, Cholera, Bubonic Plague etc. OR lethal NEW/NOVEL (1.) Corona Virus
- no 'Hard-evidence' of Mass-scale exponential growth of pathogens
- no 'Hard-evidence' of exponential growth of mass-contagions,
- no Hard-evidence' of exponential growth of mass-virulence,
- no Hard-evidence' of exponential growth of mass-infections,
- no 'Hard-evidence' of exponential growth of mass-deaths,
- no 'Hard-evidence' of exponential growth of mass-decline in recoveries recorded at all.

NB: (1.) The RT-PCR test is NOT HARD EVIDENCE and is both unlicensed and unsuitable for SARS-CoV-2 NEW/NOVEL Corona Virus detection and COVID-19 detection-diagnosis. Only a virus, proven through isolation and purification, is the solid gold standard proof of COVID-19. Jessica C. Watson from Bristol University scientifically-conclusively demonstrates this in [the British Medical Journal the COVID-19 diagnosis itself and RT-PCR testing is "uncertain and unreliable"](#). This peer-reviewed scientific paper declares COVID-19 DOES NOT EXIST UNDER RT-PCR TESTING REGIMES.

It is most solemnly sobering to note you declare merely Pandemic 'Potential' exists and NOT a PANDEMIC.

It is incumbent upon both you and ANY/ALL CHO's to provide the definitive written Hard-Evidence produced PROVING both real PANDEMIC and CATASTROPHIC death-risks existed that only a LETHAL PANDEMIC causes. These are demonstrable, quantified extreme rates of new-novel pathogens, virulence, mortality criteria; outside of ANY normal seasonal infectious disease rates known in modern history.

Your immediate attention to this matter is required as several Supreme and High Court criminal and civil law cases are now in train with criminal implications for persons both potentially facing prima facie criminal charges of False and Misleading Information, Criminal Perjury and Inquiries Act Concealment violations revealed in the Victorian Quarantine Inquiry and other jurisdictions.

Subject: Magistrates' Court: Obligations: 2017676878, 2018459797, 2018178858 defence: Request for EVIDENCE criteria for the existence of epidemiological-health catastrophic-risk existence, and/or indeed, a pandemic existence

TO: Victorian Premier Daniel Andrews

Because of your, (in my view), fundamental profoundly unlawful ultra vires State of Emergency/Disaster reactions, I have received charge and summons advice to attend court for fines incurred over your alleged pandemic and alleged death risks, and because of your reactions which closed down my business and life, I have no funds for a lawyer and I am a self-representing litigant.

Magistrates' Court: Obligations: 2017676878, 2018459797, 2018178858

I see that the entire fraudulent, Covid-19 hoax ScamDemic lies at your desk and at your hand, in falsely propagating criminal false and misleading information for ANY epidemiological-health catastrophic-risk existence, and/or indeed, a pandemic existence whatsoever.

There was NEVER at any time, such an epidemiological-health catastrophic-risk existence, and/or indeed, a pandemic existence, and I view you as unlawfully complicit in, and causing, the greatest fraudulent lethal vaccine-pushing Medical-Mafia Ponzi-Scheme ever perpetrated upon humanity.

It is my view, YOU in concert with the Chief health Officer are the Medical-Mafia, whose sole goal is to FORCE BILLIONS of dangerous, unjustified lethal vaccines for \$THOUSANDS-OF-TRILLIONS of dollars in yearly corrupt profits!! THE ESTEEMED WORLD DOCTORS ALLIANCE EXPOSES YOUR SCAMDEMIC!

<https://www.youtube.com/watch?v=MWZP4B86rY&feature=youtu.be>

NO vaccines have EVER controlled ANY world disease outbreaks in human history as ALL research proves <http://www.vaxrisk.org/VACCINESFAIL.png>

You have NOT to date, publicly published ANY material whatsoever from your Chief Health Officer Brett Sutton that supports ANY epidemiological-health catastrophic-risk existence, and/or indeed, a pandemic existence.

Therefore, there has been no case established whatsoever, that supports ANY response initiatives for epidemiological-health catastrophic-risk existence, and/or indeed, a pandemic existence.

Under your legal Discovery obligations for my law case, I require your IMMEDIATE furnishing of ALL correspondence you personally had sent to you as Premier from the Chief Health Officer and/or others that you allege is definitive EVIDENCE criteria, for the existence of epidemiological-health catastrophic-risk existence, and/or indeed, a pandemic existence

In my court case, under the laws of DISCOVERY, I require you to IMMEDIATELY furnish me with your 'WRITTEN' evidence you were presented with as Premier and/or any other body involved in organising these draconian ultra vires response initiatives, that have no foundation whatsoever; because I view your professional death-threat-pandemic risk assessments are utterly without foundation.

The material I require immediately from you under your DISCOVERY LAW obligations is:

- Your TOTAL definitive EVIDENCE criteria AND assessments for the FACTUAL existence of epidemiological-health catastrophic-risk existence, and/or indeed, a pandemic existence

In addition, as Premier I seek ALL information through you from Victoria's Chief Health Officer who's dangerous banned HCQ decisions caused unnecessary deaths and kept us in the world's longest lockdown with curfews and huge fines, I note the Chief Health Officer has worked in vaccine pseudo-innovation for the Burnett Institute; funded by Gates Foundation which presents prima facie an appalling conflict of interests.

Therefore, under your DISCOVERY LAW obligations for my case, I require you to immediately furnish the following details that I believe reveal Brett Sutton has MATERIAL pecuniary and legal fiduciary conflicts of interest:

- Full information regarding Brett Sutton's financial and other Ties-Funding to Burnett Institute, Gates Foundation, AstraZeneca and/or drug-vaccines manufacturers
- Brett Sutton's involvement in the World Health Organisation & Gates Foundation funded Agenda 21 whose goal is to promulgate the Covid-Hoax ScamDemic to global catastrophe status with no evidence.

If the globally acknowledged EVIDENCE criteria for the existence of epidemiological-health catastrophic-risk existence, and/or indeed, a pandemic existence are not met; ALL agencies have been given criminal False and Misleading Information by you AND the Chief Health Officer.

This is because if the Chief Health Officer provided you with no such definitive information, such as tests, evidence, summaries, metrics, standards, etc. that a pandemic and extreme death risks existed; then you are guilty of BREACHES OF OUR CRIMINAL CODE ACT 1995, OF ISSUING FALSE & MISLEADING INFORMATION.

In addition, if no such definitive information, such as tests, evidence, summaries, metrics, standards, etc. that a pandemic and extreme death risks existed; you may be guilty of criminal negligence, criminal reckless endangerment causing death and harms and injuries; as well as manslaughter.

THEREFORE, INTER ALIA, A SUBSTANTIVE CASE MAY EXIST THAT YOU ARE GUILTY OF CRIMINAL BREACHES OF OUR CRIMINAL CODE ACT 1995, OF ISSUING FALSE & MISLEADING INFORMATION: Criminal Code Act 1995 Division 137—False or misleading information or documents: Penalty: Imprisonment for 12 months

137.1 False or misleading information

(1) A person commits an offence if:

(a) the person gives information to another person; and

(b) the person does so knowing that the information:

(i) is false or misleading; or

(ii) omits any matter or thing without which the information is misleading; and...

The classic pandemic case risk CANNOT be defined as ANY SARS/MERS/Influenza outbreak, as these are normal-seasonal, and frequently occur when there are normal flu death rates and no flu vaccine has EVER proven effective in ANY corona virus infection of the Flu, Common-Cold etc. family.

The ONLY classic PANDEMIC risk emergence case was EBOLA, where mass transmission, mass virulence and mass deaths occurred to ALL aged of the infected.

NOBODY escaped the EBOLA transmission or death.

It is WORTHY to note EBOLA was totally controlled-eliminated in 2016 when there was NO VACCINE and standard quarantine, isolation of the INFECTED, (not the HEALTHY) totally eradicated EBOLA.

On ALL available international evidence to date, there was and still is, no evidence WHATSOEVER of ANY catastrophic risk existing, and/or indeed, of a pandemic existing.

W.H.O. still advise 99.9% experience only MILD-FLU symptoms and 99.9% FULLY RECOVER, this is DEFINITIVE EVIDENCE there is NO existence of epidemiological-health catastrophic-risk existence, and/or indeed, a pandemic existence.
