OUR HISTORY

In October 2020 the Liberty Party of Australia was founded following the most egregious fundamental attack by mainstream political parties on ALL of our cherished liberties, freedoms, choices and open way of life by perpetrating the greatest Medical-Mafia fraudulent Ponzi-Scheme Covid-19 HOAX in human history. This was done via the Medical-Mafia's direct financial bribery corruption directly into these mainstream coffers as corrupt donations with 'strings-attached, buying power'

CRIMINAL DEPRIVATIONS OF LIBERTY

The utterly Medical Mafia bribery corrupted politicians have committed this depraved criminal destruction of all liberties by total destruction of ALL freedoms by FORCED fraudulent emergency orders of Lockdowns, Curfews, Steel-Rings, 5 Kilometre Travel Limits, Social-Distancing, Facemasks, Bogus-Testing Coerced Vaccines, FORCED drugs and now Omnibus laws with unfettered punitive powers fines and arrests.

THE MEDICAL MAFIA

The Medical Mafia is the Big-Pharma Vaccine-Drug Pusher juggernaut that has BRIBED all party politicians to FORCE & COERCE vaccines and psychotropic neurotoxin drugs that now KILL 80,000 Australians EVERY YEAR!
